**STIPULATION AND [PROPOSED]  
ORDER TO RESCHEDULE FURTHER  
CASE MANAGEMENT  
CONFERENCE**

The parties to the above-captioned matter, through their attorneys of record, hereby stipulate to and request the court's approval of a postponement of the Further Case Management Conference currently scheduled for June 11, 2020. Good cause exists for the requested postponement, as follows:

- 1           1. The parties have reached a conditional settlement of this matter and the related action
- 2           filed in the Superior Court of California, County of Contra Costa. As plaintiff is an
- 3           incompetent adult, the global settlement requires a court's approval. The parties have
- 4           stipulated to have Magistrate Judge Beeler take jurisdiction of the matter for purposes
- 5           of the settlement approval process.
- 6           2. As of June 4, 2020, the state court action has now been removed to federal court. The
- 7           parties will stipulate to have this related matter consolidated so that both cases are
- 8           consolidated and fall under Magistrate Judge Beeler's jurisdiction.
- 9           3. Following consolidation, Plaintiff anticipates that his counsel will be prepared to file
- 10          his application for approval of the minor's compromise on or before June 26, 2020.
- 11          The parties are optimistic that said amount of time will permit all approvals to be
- 12          obtained, an annuity purchased, and the settlement finalized.
- 13          4. Once the minor's compromise is approved, the consolidated matters shall be dismissed
- 14          with prejudice.

15 For the foregoing reasons, the parties respectfully request that the Court continue the Further Case  
16 Management Conference, presently scheduled for June 11, 2020, to June 25, 2020..
